# Session Details

## Duration: 2 Hours

Each VR session runs for a full 2 hours of guided engagement — long enough for all participants to enjoy multiple turns and experience a variety of VR modules. This duration is perfect to fit seamlessly into birthday parties, school events, weddings, or corporate gatherings.

## Location: At Your Event Venue

We come directly to your location — whether it's a home, banquet hall, school, office, or outdoor event space. All you need is a small clear area and a regular power outlet. We handle the rest of the setup and management.

## VR Headsets Provided

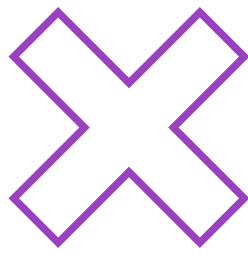

We bring premium VR headsets, pre-loaded with educational and exciting content.

## Participants Take Turns in Guided Sessions

Our sessions are fully guided by trained facilitators. Participants take turns in small batches, ensuring everyone gets multiple immersive experiences. The facilitator manages timing, content selection, hygiene (sanitization between uses), and engagement.
